

# Some days I wake up grumpy (Help me worship You)

David Brackenbury

Key: C

## Intro:

**C**

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday

## Verse 1:

**C F C G**

Some days I wake up grumpy, just wanting to lie in

**C F C G**

Some days I wake up with a bounce, and ready to begin

**Am F C G**

So before I get my breakfast, I'll stop to pause and pray

**Am F G C**

And ask You to be with me in all I do today

## Chorus:

**F C G C**

Help me worship You, in every single day

**F C F G**

Help me live for You, in all I do and say

**F C E E/G# Am**

In the day ahead, let me be Your hands and feet

**F C G C**

Jesus I will worship You for seven days a week

## Verse 2:

When I head out on Monday, and sit down at my desk

I make the choice to worship You, by giving it my best

Help me every single moment, in all I say and do

And even on a Wednesday I'll live to worship You

## Verse 3:

When I'm in church on Sunday, along with all my mates

We sing some songs and learn about, the stuff that makes God great

As I leave I will remember, a week is seven days

So when I'm in my 'everyday' I'll worship You always

## Verse 4:

As I lay down on Sunday night, another week's ahead

Help me always to remember, the things that You have said

When my life seems just like normal, I want each part to say

I will worship all the time, no matter what the day!
